## BATHROOM REMODEL PRICING GUIDE

Hi there,

First off, thank you for reading this Bathroom Remodel price guide. As the owner and operation manager at CGC Design Build, I frequently talk to people like you who are considering a home remodeling project. During the initial conversations, the one of The questions that is the most important and comes up most Often is, “ How much will this Bathroom Remodel cost?” It’s a great question!

A full service Bathroom Remodel project can be expensive.

Introducing and integrating old and new features is a complex task that requires more skill than building out new construction space.

This Bathroom Remodel pricing guide will give you ballpark estimate of various levels of your Kitchen remodeling project. Your final Bathroom Remodel price will depend on design, function and select finishes variables that affect the price of particular project.

All our work is designed and tailored to your unique preference.
